School Attendance
A reminder to everyone again about the importance of regular attendance at school.
The evidence is overwhelming that there is an absolute direct correlation between attendance and success at school.
Students are required to be at school each and every school day. If they do not attend they will need to provide an explanation for their absence. We ask all parents and carers to please ensure that their students are attending regularly.

Term 1 Week 5 & 6

Monday 25th February 2013

Student of the Weeks

Congratulations Andrew Kirk

Congratulations Kaylea Hanrahan

Congratulations Christian Cole

DON’T FORGET P&C MEETING
This Wednesday 27/2/13 at 5pm. Please join us to support your children.

P&C EASTER EGG RAFFLE
Once again the P&C will be holding an Easter Egg Raffle to raise money for our school students.
Each child is asked to bring in some Easter Eggs to donate to the raffle. All eggs need to be at the school office by the 12th March, so the basket of eggs can be put together
Principal’s Message
I was delighted to see so many parents and carers at the information evening and ‘Welcome BBQ’ last week. I know that for many of you the thought of sitting in a classroom listening to a teacher speak is not your idea of fun….however I really do appreciate the support you are giving your children- by being aware of the many aspects of school life that will impact positively on their learning this year. It was great to welcome Cindy, Mel and Peter as new parents to our school.

As always a huge THANK YOU to the dedicated members of the P&C- Jean, Shaun, Karon, Ross and family, who provided a tasty BBQ for us all to enjoy.

During the meeting I asked for feedback on areas of the school that could be improved. It was suggested by Tracy that if the newsletter went out on Friday, working parents would have more time to plan their week. As communication is a constant challenge and area for improvement I will attempt to meet this request and also to include dates for any school events as far ahead as possible.

As I stated in the meeting, the staff and I are always available to talk to parents and answer any questions. Please come and talk to us before or after school for quick questions or make an appointment for an interview if you require a longer chat.

I have continued to be impressed with the quality of learning that is going on in the classrooms. We are all here to give our wonderful students the best education we can and together with you, we can achieve great things.

An email I received from Mrs Wyner from Stuart Town sums it up

“I thought Mumbil students were awesome at the swimming carnival. They all tried very hard and certainly did their best- Congratulations to you all.”

Following suggestions made by parents, I have discussed with Mrs Wyner the possibility of joining for swimming for sport. She has agreed that this would be an enjoyable and valuable activity in term 4. She has only got one week left this term!

EXCURSIONS-
SYDNEY- Possible date being 4th-6th September, this date is to be confirmed. I know that some parents would like to begin to pay for the excursion by instalments. The cost is likely to be around $200 (depending on fundraising.) If you would like to pay $10 or more per fortnight Shannan can receipt your payments.

STUART TOWN- Mr Richard Eade has agreed to talk to our students about gold discoveries in Stuart Town Friday 8th March 2013.

I am still waiting to hear back from Mr Grosset in regard to our excursion to Hill End.
Geurie Creative Arts Day will be held on Thursday 28th March.

Hearing Screenings are taking place on the 2nd April.

Have a great fortnight,
Dianne
