Our school leaders have been busy organising fun things for students to do while fundraising.

On Tuesday 4th June the school leaders will be selling a cup of hot milo in the morning for $1.50 a cup. If your child would like some milo please bring along $1.50.

Also the school leaders are busy creating the poster for the Baby Photo Guessing Competition.

Another SRC DISCO combined with Stuart Town School organised for Thursday 20th June. Mumbil Community Hall from 5.30pm – 7.30pm. Open to all children from preschool to year 6 only. Entry $2 per child. Theme: is All About Bling, so get your bling/sequins clothes and accessories ready. BBQ, Drinks & lollies available. See flyer for more detail.

Crunch & Sip is a break in class for students to refuel with fruit or vegetables and rehydrate with water. Make sure your son or daughter has fruit or vegetables and a bottle of water for Crunch & Sip each day!

Congratulations to Claudia Cain, Jasmine Cain, Christian Cole, Jordan Elliott, Jazmine McCarthy & Liam Cole for representing Mumbil Public School by successfully qualifying for the District Cross Country Team. WELL DONE STUDENTS!

Cancer Council Biggest Morning Tea
A big Thank You to all the school students for raising $86.00 for the Cancer Council. This was a fantastic effort for a small school. In total the Mumbil Community raised over $500 for the Cancer Councils Biggest Morning Tea. Thank you to Mumbil Progress for inviting us to share in the beautiful morning tea.

Gulgong Harness Club Visit
The Mumbil P&C has done a marvellous job catering for the Gulgong harness Club once again this year.

Students participated in the day by dressing up in old fashioned clothing, observing horses and having a delicious lunch. Thank you to all the people who cooked food, cleaned the hall, served lunch and washed up. A terrific effort- the money raised provides more great things for our students and we appreciate your efforts very much.

After School Homework Club
If the first two weeks were anything to go by it is a HUGE success. Almost all students attended the afternoon and parents and students are already eagerly awaiting the next afternoon. Mrs Farley is delighted to see the program up and running. “Miss Baker and Miss Clark have done a great job planning the afternoon activities that will include tuition from interested community members in areas such as cooking, sewing and timber construction.” “It was amazing to see students sitting down concentrating on their reading and homework at 5pm!” “It is also a credit to the dedication of all the Mumbil School staff who is donating their time to provide children with this learning opportunity.”

If you have skills that you would like to share with students please contact the school.

School Banking
School banking day is every Tuesday. Many students have already received their prize rewards for making 10 deposits.
K-2 Orange Excursion

Last Friday the Infants class travelled to Orange for their class excursion. We started the morning with a theatre production of Room on the Broom, a story we have studied in class for the past two weeks. Then we went down to Cook Park. The students had fun exploring and could not resist the urge to jump into the large piles of neatly organised leaves. After we had finished looking at the deciduous trees and playing on the equipment we went to Pizza Hut for lunch. It was an interesting experience as I had not been there in years and decided to enjoy the pizza and pasta whereas most of the kids returned to their seats with plates full of fruit and salad. Our last destination of the day was to Hill Side Orchard. At the Orchard Mr Davidson showed us around his orchard. He talked to us about the different types of apples and fruit grown at his orchard, where they get stored and where they get transported to. We were even allowed to taste some of the apples picked straight from the tree. The excursion was a great success. Thank you to the families who volunteered their time to help transport students and assist the staff on the excursion.
