Term 2 Week 1 & 2

Tuesday 29th April 2014

Life Education

Life Education is the largest non-government provider of health education to children and young people, Australia wide. Their mission is to empower children and young people to make informed choices for a safe and healthy life. The Life Education mobile classroom will visit our school on Thursday 1st May. Harold Merchandise will be on sale proceeds from merchandise sales contribute to future programs. Please provide the correct money in an envelope with the items written on the face of the envelope along with your child’s name. Products range from 50c to $15.00 with many products being $2.00-$6.00

With the weather getting cooler—it is especially important for students to wear a red or black jumper or jacket in the mornings. It’s also important that parents ensure that their children have the proper amount of sleep, and eat a good breakfast in the morning. This will help with their defence against illness and allow them to have a productive day in school.
Principal’s messages

**ANZAC DAY**

I was so proud of the Mumbil students who represented their school so impressively during the ANZAC march and service last Friday. They were all a credit to their school, family and community. I had many positive comments from the visitors and local community about our students. They looked smart in their formal uniforms and showed respect in their perfect behaviour and involvement in the service.

One of the air force representatives commented “the children made the service such a special event, it was one of the best I have ever attended!” Many other people said they had tears in their eyes as the children performed and presented their flowers, it was a very meaningful experience. Thank you to all parents and students for supporting this special national day.

**FABULOUS FUNDRAISING**

Everyone had a lot of fun at the Easter Hat Parade on the last day of term one. It was a great opportunity to get to know each other better and to support our students in a fun and entertaining way. Congratulations to all award winners for some very imaginative Easter hats. The P&C with the support of families and the local community did an AMAZING job fundraising. The Easter Raffle and BBQ raised an INCREDIBLE $520 What a great result! Thank you to all the P&C who so capably organised the raffle and BBQ and to all the families who bought and sold tickets and donated Easter eggs. We are now able to go ahead and purchase a new portable sound system to be used to assist learning in classrooms and for special events.

**CONGRATULATIONS** to Mrs Hanney and her team of beginning electricians and artists who created the winning entry in the Netwaste recycled art competition. ‘The Mumbil Mutt’ is a terrific artwork created using old electrical equipment. Thanks to Mrs Hanney’s creative genius this is the third win in four years for Mumbil!

If you have any questions or comments about what is happening at school or would like to talk to us at length about your children please organise an interview. For quick chats you can always find us before and after school. We welcome your feedback, questions and support. We are all ready for a wonderful term together.

Mrs Farley
