Head Lice
Holiday time is a good chance to break the cycle of head lice!
A reminder to parents please check your child’s hair over the holiday break and treat if necessary. If everyone is vigilant we can reduce the chance of further outbreaks. Quit Nits head lice kit has been recommended and is available at woolworths. The kits come with a defence spray to prevent head lice. The School has some Quit Nits kits. If you would like a kit please come into the school office and ask for a kit.

Term 2 Week 9
Wednesday 25th June 2014

Reminder to All
There have been a large number of students wearing different coloured jumpers and pants to school. These are not a part of the school uniform. Please make sure your child comes to school every day wearing the red shirt/skivvy, black tracksuit pants and a red or black jumper or jacket and a school hat. If your child does not have these pieces of uniform the holidays are a good chance to buy some, or come and have a look in the clothes bin at school.

FREE ABORIGINAL BIKE SAFETY PROGRAM
REGISTER NOW FOR OUR 4HR PROGRAM
THAT TEACHES:
• Practical bike skills
• Basic bike maintenance
• Where to ride in your community
• Program will also include lunch
THERE ARE LIMITED PLACES
Participants will also get a FREE Helmet and Bike Service
TO REGISTER

Date: 28/06/2014
Venue: Wellington Public School
Time: 10am - 2
Acting Principal’s Message
Small Schools Science Day
On Friday 13th June, we travelled to Wongarbon to take part in the Small Schools Science Day. This was an excellent time of learning and hands-on activities for all involved. The classroom activities were interesting and we engaged with a number of different topics including the solar system, magnetism, aerodynamics, clouds and weather and electricity, movement and reaction times. The highlight of the day was the CSIRO run workshop (for Years 4-6) and CSIRO show on physics in everyday life (for K-6). Jazmine discovered that she could pull an adult across the room using just a rope (with a bit of help from a skateboard) and Jesse was able to turn a bucket of water upside down without spilling a single drop (I'll leave you to think about how). It was also a good day of interacting with students from other schools.

Some comments from the students:
"My favourite activity was the Science Show. I sat on 1000 nails.....I made a new friend at lunch called Kane. He was the same age as me and the same height as me." Mason
"I enjoyed the Science Workshop because you got to look and see lots of body parts like taking the heart and liver and kidneys out of a model and putting them back together again." Corey
"I liked that we had fun and no one was mean and that we had lots of people to play with. I liked making the paper aeroplane and we got to have a competition to see who could fly theirs the best." Kaylea

We are looking forward to our trip to the Wellington Caves and the Japanese Garden tomorrow. I have heard that some students are feeling a little apprehensive about the experience. Please assure your children that the lights in the cave will be on the whole time and that this will be a fun time of being together. All students will need a hat, a water bottle and food for Recess. Also, and very important is that everyone needs to bring a warm jacket or jumper because we will be out in the wind for part of the day.

I have enjoyed my two weeks as Acting Principal. It has been lovely to reconnect with the Primary class and to get to know all the students better.

Have a happy and fun and safe holiday.

Regards,
Chris Campion

Photos of the CSIRO Science Day at Wongarbon

School Photographs
Reminder to parents that school photos will take place the 2nd week of term 3. School Photo envelopes have been sent home please make sure you return the payment envelope before photo day.

P&C Meeting
Next P&C Meeting will be held on 24th July.

Canberra Excursion
The Canberra excursion itinerary and permission notes have been sent home. Please return permission notes as soon as possible also a deposit of $50 per student is required.

If you have not yet returned the permission notes please do so ASAP.

Holiday Fun
Please find attached some free holiday fun happening in Wellington during the school holiday break.
If you would like more information on these activities please phone Maree on 0427 636 023.

Caves Excursion
Tomorrow is the Wellington caves excursion if your child has not handed in their permission note please send it to school tomorrow with your child.
